Service and Transmittal of Solicitation Packages and the Tabulation Process

4. Pursuant to the *Order (I) Approving Disclosure Statement, (II) Establishing Notice and Objection Procedures for Confirmation of the Plan, (III) Approving Solicitation Packages and Procedures for Distribution Thereof; (VI) Approving the Forms of Ballots and Establishing Procedures for Voting on the Plan, and (V) Granting Related Relief* [ECF No. 4392] (the “**Disclosure Statement Order**”), the Court established procedures to solicit votes from and tabulate ballots submitted by holders entitled to vote on the Plan (the “**Solicitation Procedures**”). Prime Clerk adhered to the Solicitation Procedures outlined in the Disclosure Statement Order and the Ballots, which were distributed to parties entitled to vote on the Plan. I supervised the solicitation and tabulation performed by Prime Clerk’s employees.

5. The Solicitation Procedures established May 9, 2019 as the date for determining which Holders of Claims in the Voting Classes are entitled to vote to accept or reject the plan (the “**Voting Record Date**”). Pursuant to the Plan and the Solicitation Procedures, only holders as of the Voting Record Date in the following classes were entitled to vote to accept or reject the Plan (the “**Voting Classes**”)³:

Kmart Corp.

Plan Class	Class Description
2	Secured Claims
3	PBGC Claims
4	General Unsecured Claims
5	ESL Unsecured Claims

³ Pursuant to Section 3.1 of the Plan, the Plan constitutes a separate chapter 11 plan of liquidation for each Debtor, and votes to accept or reject the Plan were solicited and tabulated on a per-Debtor basis; if the Plan Settlement is approved (subject to Section 9.2(b) of the Plan), in such case, all classes of Claims against all of the Debtors shall be treated in accordance with the Plan Settlement.

No other classes were entitled to vote on the Plan.

6. In accordance with the Solicitation Procedures, Prime Clerk worked closely with the Debtors' advisors to identify the holders entitled to vote in the Voting Classes as of the Voting Record Date, and to coordinate the distribution of solicitation materials to these holders. In addition, Prime Clerk coordinated the distribution of solicitation materials to holders of public securities in the Voting Classes in accordance with procedures commonly used to serve solicitation materials on holders of public securities. A detailed description of Prime Clerk's distribution of solicitation materials is set forth in Prime Clerk's *Affidavit of Service of Solicitation Material*, which was filed with this Court on July 17, 2019 [ECF No. 4545].

7. In accordance with the Solicitation Procedures, Prime Clerk received, reviewed, determined the validity of, and tabulated the ballots submitted to vote on the Plan. Each ballot submitted to Prime Clerk was date-stamped, scanned, assigned a ballot number, entered into Prime Clerk's voting database and processed in accordance with the Solicitation Procedures. To be included in the tabulation results as valid, a ballot must have been (a) properly completed pursuant to the Solicitation Procedures, (b) executed by the relevant holder entitled to vote on the Plan (or such holder's authorized representative), (c) returned to Prime Clerk via an approved method of

delivery set forth in the Solicitation Procedures, and (d) received by Prime Clerk by 5:00 p.m. (Eastern Time) on August 2, 2019 (the “**Voting Deadline**”).

8. All valid ballots cast by holders entitled to vote in the Voting Classes and received by Prime Clerk on or before the Voting Deadline were tabulated pursuant to the Solicitation Procedures.

9. The final tabulation of votes cast by timely and properly completed ballots received by Prime Clerk is attached hereto as **Exhibit A-1 through A-53**.

10. As directed by Debtors’ counsel, Prime Clerk tabulated and adjusted the voting amounts of any valid votes cast on account of Second Lien Debt Claims (including Second Lien Notes Claims, Second Lien PIK Notes Claims, and Second Lien Credit Facility Claims) as follows: 16% of the amount voted representing the secured portion of the Second Lien Debt was removed from the applicable Debtor’s Class 2 tabulation and treated as invalid on the basis that the underlying Class 2 Secured Claims are satisfied and therefore not entitled to vote, and (ii) the remaining 84% of the amount voted was tabulated in the applicable Debtors’ Class 4 tabulation. Debtors’ counsel instructed Prime Clerk that the basis for the aforementioned tabulation is the *Order Determining the Amount of Second-Lien Holders’ Section 507(b) Administrative Claims Pursuant to Rule 3012 of the Federal Rules of Bankruptcy Procedure*, filed on August 15, 2019 [ECF No. 4740] (the “**507(b) Order**”), filed on August 15, 2019, which, according to Debtors’ counsel determined that the holders of Second Lien Debt were secured by \$186.57 million, and pursuant to the Sale Transaction, such holders received a value in excess of \$433 million. As a result, Debtors’ counsel informed Prime Clerk that the Secured Claims of holders of Second Lien Debt have been paid in full. Prime Clerk makes no representation as to the validity of Debtors’ counsel’s interpretation of the 507(b) Order.

11. Further, as directed by Debtors' counsel, in accordance with paragraph 17(b) of the Disclosure Statement Order, the following Class 2 votes were deemed to be wholly-contingent and reduced to \$1.00 for tabulation purposes: (i) Ballot number 6265 submitted by Community Unit School District 300, an Illinois School District in the amount of \$43,080,878 against Sears Holdings Corporation; (ii) Ballot number 6207 submitted by Community Unit School District 300, and Illinois School District in the amount of \$43,080,878 against Sears, Roebuck and Co.; and (iii) Ballot number 5969 submitted by Santa Rosa Mall, LLC in the amount of \$20,836,827 against Sears, Roebuck de Puerto Rico, Inc.

12. In addition, the two (2) Class 2 votes submitted by the Pension Benefit Guaranty Corporation ("PBGC") in the amount of \$1.00 and the one (1) Class 4 vote submitted *by the PBGC in the amount of \$800,000,000 are tabulated in all the Debtors' Plans pursuant to the Stipulation and Order Permitting Pension Benefit Guaranty Corporation to File Consolidated Proofs of Claim under a Single Case Number*, dated March 15, 2019. [ECF No. 3105]

13. Prime Clerk's final tabulation includes (i) valid Class 4 votes in the amount of \$224,402,922.29 submitted by holders of the Senior Unsecured Notes to reject the Plan of Sears Holding Corporation (out of a total amount of \$801,626,271.24 voted in Class 4 against Sears Holding Corporation); and (ii) valid Class 4 votes in the amount of \$130,703,912.34 submitted by holders of the Second Lien PIK Notes and Class 4 votes in the amount of \$128,951,488.24 submitted by holders of the SRAC Unsecured PIK Notes to reject the Plan of Kmart Corporation (out of a total of \$386,138,814.33 voted in Class 4 against Kmart Corporation).

14. A report of all ballots excluded from the final tabulation prepared by Prime Clerk, and the reasons for exclusion of such ballots, is attached hereto as **Exhibit B-1** and **B-2**.

[Remainder of Page Intentionally Left Blank]

To the best of my knowledge, information and belief, I declare under penalty of perjury that the foregoing information concerning the distribution, submission, and tabulation of ballots in connection with the Plan is true and correct.
